

EPIMS Error List

Version 10.0

October 1, 2026

This document is intended to assist in diagnosing and fixing validation errors by expanding on the messages returned by the data collection system. The validations are ordered sequentially throughout the book and within that ordering they are grouped by SIF object and one of the data elements affected.

SIF Object: SchoolInfo

EPIMS2100 - Invalid/Missing District/School (WA06)

WA06 must be a valid district/school identification number. It must not be blank or null.

EPIMS2110 - District/School ID (WA06) invalid for the reporting district

WA06 must be valid school code for the district reporting the EPIMS data.

EPIMS2120 - School ID code (WA06) required for school level job classification

If Job Classification (WA07) is for a school position, then District/School ID (WA06) must be for a school. (1305, 1310, 1320, 2305, 2306, 2307, 2308, 2310, 2325, 3329, 3330, 3350, 3351, 3360, 3361, 3370, 3371, 4100, 5020, or 5021).

EPIMS2130 – Title I school (WA06) requires Title I staff to be reported

If a school (WA06) is Title I Targeted Assistance, then at least one teacher or paraprofessional or an administrator must be reported with a Title I Federal salary source values in SR12 or SR14 or SR16 when SR09 is a working status.

SIF Object: StaffPersonal

EPIMS3800 - MEPID does not exist in EPIMS

MEPID reported in WA01 not valid and does not exist in EPIMS.

EPIMS3810 - MEPID reported in SR01 is Inactive

The MEPID reported in SR01 is inactive.

EPIMS3820 - MEPID does not exist in EPIMS

MEPID reported in WA01 not valid and does not exist in EPIMS.

EPIMS3830 - MEPID Reported in WA01 is Inactive

MEPID reported in Work Assignment record is not active.

EPIMS3840 - MEPID needs to be reported once in SR file

For every MEPID that appears in a work assignment record, there should be **EXACTLY ONE** corresponding staff roster record containing that MEPID. This error checks the uniqueness and existence of the MEPID in the staff roster records submitted.

EPIMS3850 - Record reported more than once in SR file

Duplicate MEPID in a staff roster file. There should be only one staff roster record per individual submitted by a district.

EPIMS3860 - Invalid Employee Number / Length must be 1–20 (SR02)

SR02 must not be blank or null. If districts do not use a local employee number, the not applicable code of 0 must be used.

EPIMS3870 - Invalid Employee Number / Length must be 1–20 (WA02)

WA02 must not be blank or null. If districts do not use a local employee number, a single alphanumeric symbol can be used in this field that is identical in all records, such as a 0.

EPIMS3880 - License Number (SR03) must match MEPID on file

License number for a MEPID reported in the staff roster record must match the license number in ID Maintenance for that MEPID.

EPIMS3890 - Gender Missing on File

Every MEPID reported in the Staff Roster file must have a Gender on file.

EPIMS3900 - Invalid/Missing Race/Ethnicity (SR08)

SR08 must be one of the valid codes for race/ethnicity listed in the EPIMS Data Handbook. It must not be blank or null.

EPIMS3910 - FN must match MEPID on file (SR)

The identifying characteristic of first name (FN) associated with a MEPID in the SR record must match the identifying characteristic associated with the MEPID in ID Maintenance for current staff.

SIF Object: StaffPersonal

EPIMS3920 - FN must match MEPID on file (WA)

The identifying characteristic of first name (FN) associated with the MEPID in the WA record must match the identifying characteristic associated with the MEPID in ID Maintenance for current staff.

EPIMS3930 - MN/MI must match MEPID on file (SR)

The identifying characteristic of middle name/middle initial (MN/MI) associated with a MEPID in the SR record must match the identifying characteristic associated with the MEPID in ID Maintenance for current staff.

EPIMS3940 - MN/MI must match MEPID on file (WA)

The identifying characteristic of middle name/middle initial (MN/MI) associated with the MEPID in the WA record must match the identifying characteristic associated with the MEPID in ID Maintenance for current staff.

EPIMS3950 - LN must match MEPID on file (SR)

The identifying characteristic of last name (LN) associated with a MEPID in the SR record must match the identifying characteristic associated with the MEPID in ID Maintenance for current staff.

EPIMS3960 - LN must match MEPID on file (WA)

The identifying characteristic of last name (LN) associated with the MEPID in the WA record must match the identifying characteristic associated with the MEPID in ID Maintenance for current staff.

EPIMS3970 - DOB must match MEPID on file

The identifying characteristic of date of birth (DOB) associated with a non-exited MEPID in the SR record must match the identifying characteristic associated with the MEPID in ID Maintenance for current staff.

EPIMS3980 - Invalid format for Date of Birth (SR07)

The format of SR07 must be mm/dd/yyyy.

EPIMS3990 - Date of Birth (SR07) cannot be less than 14 Years Old or More than 90 Years Old When Hired

DOB cannot be less than 14 years old or more than 90 years old when hired.

EPIMS4000 - Degree Information Required

If no license information is supplied, then degree information is required for this job classification.. (See EPIMS Appendix E for job classifications requiring degree information.)

EPIMS4010 - Invalid/Missing Degree Type 1 (SR18)

SR18 must be one of the valid codes for degree type listed in the EPIMS Data Handbook. It must not be blank or null.

SIF Object: StaffPersonal

EPIMS4020 - Degree Type 1 (SR18) not applicable. Invalid Degree Type 2 (SR21) and Degree Type 3 (SR24)

If SR18 = 000, then SR21 and SR24 must equal 000. Fill in degree information in the fields for Degree Type 1 first, then 2, and then 3.

EPIMS4030 - Degree Type 1 (SR18) invalid with Degree Institution 1 (SR19) and Degree Subject 1 (SR20) (A)

If SR18 = 000, 009, 010, 011, 012, or 013 then SR19 = 0000 and SR20 = 00. If the degree type information is not applicable, the corresponding institution and subject information is also not applicable.

EPIMS4040 - Degree Type 1 (SR18) invalid with Degree Institution 1 (SR19) and Degree Subject 1 (SR20) (B)

If SR18 does not equal 000, 008, 009, 010, 011, 012, or 013, then SR19 must not equal 0000 and SR20 must not equal 00. If there is degree type information entered (other than “not applicable”), there must be the corresponding institution and subject information also entered.

EPIMS4050 - Degree Type 2 (SR21) reported. Degree Type 1 (SR18) must be reported

If SR21 is not 000, then SR18 must not equal 000. Fill in degree information in the fields for Degree Type 1 first, then 2, and then 3.

EPIMS4070 - Invalid Degree Institution 1 (SR19)

SR19 must be one of the valid codes for degree institution listed in the EPIMS Data Handbook. It must not be blank or null.

EPIMS4080 - Invalid/Missing Degree Subject 1 (SR20)

SR20 must be one of the valid codes for degree subject listed in the EPIMS Data Handbook. It must not be blank or null.

EPIMS4090 - Invalid/Missing Degree Type 2 (SR21)

SR21 must be one of the valid codes for degree type listed in the EPIMS Data Handbook. It must not be blank or null.

EPIMS4100 - Degree Type 2 (SR21) invalid with Degree Institution 2 (SR22) and Degree Subject 2 (SR23) (A)

If SR21 = 000, 009, 010, 011, 012, or 013, then SR22 = 0000 and SR23 = 00. If the degree type information is not applicable, the corresponding institution and subject information is also not applicable.

SIF Object: StaffPersonal

EPIMS4110 - Degree Type 2 (SR21) invalid with Degree Institution 2 (SR22) and Degree Subject 2 (SR23) (B)

If SR21 does not equal 000, 008, 009, 010, 011, 012, or 013, then SR22 must not equal 0000 and SR23 must not equal 00. If there is degree type information entered (other than “not applicable”), there must be the corresponding institution and subject information also entered.

EPIMS4120 - Degree Type 3 (SR24) reported. Degree Type 2 (SR21) must be reported

If SR24 is not 000, then SR21 must not equal 000. Fill in degree information in the fields for Degree Type 1 first, then 2, and then 3.

EPIMS4130 - Invalid Degree Institution 2 (SR22)

SR22 must be one of the valid codes for degree institution listed in the EPIMS Data Handbook. It must not be blank or null.

EPIMS4140 - Invalid/Missing Degree Subject 2 (SR23)

SR23 must be one of the valid codes for degree subject listed in the EPIMS Data Handbook. It must not be blank or null.

EPIMS4150 - Invalid/Missing Degree Type 3 (SR24)

SR24 must be one of the valid codes for degree type listed in the EPIMS Data Handbook. It must not be blank or null.

EPIMS4160 - Degree Type 3 (SR24) invalid with Degree Institution 3 (SR25) and Degree Subject 3 (SR26) (A)

If SR24 = 000, 009, 010, 011, 012, or 013, then SR25 = 0000 and SR26 = 00. If the degree type information is not applicable, the corresponding institution and subject information is also not applicable.

EPIMS4170 - Degree Type 3 (SR24) invalid with Degree Institution 3 (SR25) and Degree Subject 3 (SR26) (B)

Do not use Degree Type 3 (SR24), with Degree Institution 3 (SR25) or Degree Subject 3 (SR26) (B).

EPIMS4180 - Invalid Degree Institution 3 (SR25)

SR25 must be one of the valid codes for degree institution listed in the EPIMS Data Handbook. It must not be blank or null.

EPIMS4190 - Invalid/Missing Degree Subject 3 (SR26)

SR26 must be one of the valid codes for degree subject listed in the EPIMS Data Handbook. It must not be blank or null.

SIF Object: EmploymentRecord

EPIMS5800 - Invalid/Missing Employment Status (SR09)

SR09 must be one of the valid codes for employment status listed in the EPIMS Data Handbook. It must not be blank or null.

EPIMS5810 - No In-District Staff reported

No staff was reported as being employed by the district (SR09=01).

EPIMS5820 - Invalid/Missing Reason for Exit (SR10)

SR10 must be one of the valid codes for reason for exit listed in the EPIMS Data Handbook. It must not be blank or null.

EPIMS5830 - Employee Status (SR09) not valid with Reason for Exit (SR10)

SR09 must equal 04 if SR10 is not 00, and vice versa. If the employee has exited the district (SR09 = 04), then SR10 = 01–10. If the individual is employed (SR09 = 01–03), then SR10 = 00 (Not Applicable).

EPIMS5840 — Invalid format for Date of Hire (SR11)

The format for SR11 must be mm/dd/yyyy.

EPIMS5850 - Date of Hire (SR11) Can Not be Less Than or Equal to Date of Birth (SR07)

SR11 cannot be less than or equal to SR07.

EPIMS5860 - Date of Hire (SR11) must be on or prior to the EOY close date

The date of hire for a staff member must be prior to the collection closing date. Report future hires in the following collection.

EPIMS5870 - Invalid/Missing Fed Sal Source 1 (SR12)

SR12 must be one of the valid codes for federal salary source listed in the EPIMS Data Handbook. It must not be blank or null.

EPIMS5880 - Inaccurate Grant Code (SR12, SR14, or SR16) reported

The grant code reported in (SR12, SR14, or SR16) must represent a federal grant allocation that the district is receiving.

EPIMS5890 - Invalid Percent Federal Salary Source1 (SR13)

SR13 is a numeric value equal to or less than 1.00. It requires a minimum of 2 and a maximum of 5 characters, including a decimal point, and must not be blank or null. If not applicable, the acceptable code is 00.

SIF Object: EmploymentRecord

EPIMS5900 - Federal Salary Source 1 (SR12) reported. Invalid Percent of Federal Salary Source 1 (SR13)

If SR12 is not 000, then SR13 must contain a percent greater than 0. SR13 must not equal 00 (Not Applicable) or be blank or null. If a Federal Grant code is entered, there must be a percent entered also.

EPIMS5910 - Federal Salary Source 1 (SR12) not reported. Invalid SR13–SR17

If SR12 = 000, then all the subsequent Federal Salary Source and percent Federal Salary Source fields (SR13–SR17) must be not applicable. If there is no Federal Grant code entered in the first option for a Federal Salary Source, then there is no Federal Salary Source information to be reported.

EPIMS5920 - Sum of Federal Salary Percent (SR13 + SR15 + SR17) cannot be greater than 100%

The sum of the sources of an individual's salary cannot exceed 1.00.

EPIMS5930 - Invalid/Missing Fed Sal Source 2 (SR14)

SR14 must be one of the valid codes for federal salary source listed in the EPIMS Data Handbook. It must not be blank or null.

EPIMS5940 - Federal Salary Source 2 (SR14) reported. Invalid Federal Salary Source 1 (SR12)

If SR14 does not equal 000, then SR12 must not equal 000. Federal Salary information should be entered in Federal Salary Source 1, then 2, then 3.

EPIMS5950 - Inaccurate Grant Code (SR12, SR14, or SR16) reported

The grant code reported in (SR12, SR14, or SR16) must represent a federal grant allocation that the district is receiving.

EPIMS5960 - Invalid Percent Federal Salary Source2 (SR15)

SR15 is a numeric value equal to or less than 1.00. It requires a minimum of 2 and a maximum of 5 characters, including a decimal point, and must not be blank or null. If not applicable, the acceptable code is 00.

EPIMS5970 - Federal Salary Source 2 (SR14) reported. Invalid Percent of Federal Salary Source 2 (SR15)

If SR14 does not equal 000, then SR15 must not equal 00 (Not Applicable) or be blank or null. If a Federal Grant code is entered, there must also be a percent entered.

EPIMS5980 - Federal Salary Source 2 (SR14) not reported. Invalid SR15–SR17

If SR14 = 000 then SR15, SR16, and SR17 must be not applicable. If there is no Federal Grant code in SR14, there should not be a percentage in the corresponding Percent of Federal Salary Source 2 (SR15) or any Federal Salary Source information in the 3rd group of fields (SR16 and SR17).

EPIMS5990 - Invalid/Missing Fed Sal Source 3 (SR16)

SR16 must be one of the valid codes for federal salary source listed in the EPIMS Data Handbook. It must not be blank or null.

SIF Object: EmploymentRecord

EPIMS6000 - Federal Salary Source 3 (SR16) reported. Invalid Federal Salary Source 2 (SR14)

If there is a Federal Salary Source reported in the third source field (SR16), there should be a source reported in the second source field (SR14). If SR14 = 000 (Not Applicable), so should SR16.

EPIMS6010 - If SR12/ SR14/ SR16 are reported then SR12 must not equal SR14 and SR14 must not equal SR16

Federal Salary sources must not be duplicated in a record. The first code for Federal Salary Source (SR12) should not be repeated in the second (SR14) or third (SR16) data elements for Federal Salary Source.

EPIMS6020 - Inaccurate Grant Code (SR12, SR14, or SR16) reported

The grant code reported in (SR12, SR14, or SR16) must represent a federal grant allocation that the district is receiving.

EPIMS6030 - Invalid Percent Federal Salary Source3 (SR17)

SR17 is a numeric value equal to or less than 1.00. It requires a minimum of 2 and a maximum of 5 characters, including a decimal point, and must not be blank or null. If not applicable, the acceptable code is 00.

EPIMS6040 - Federal Salary Source 3 (SR16) reported. Invalid Percent of Federal Salary Source 3 (SR17)

If SR16 does not equal 000, then SR17 must not equal 00 (Not Applicable) or be blank or null. If a Federal Grant code is entered, there must also be a percent entered.

EPIMS6050 - Federal Salary Source 3 (SR16) not reported. Invalid Percent of Federal Salary Source 3 (SR17)

If SR16 = 000, then SR17 must equal 00. If a Federal Salary Source is entered as not applicable, the corresponding percent of that Federal Salary Source must also be not applicable.

EPIMS6060 - Invalid Date of Exit (SR27). A date must be entered or NA if not applicable

SR27 must be formatted as mm/dd/yyyy if a date is reported. Otherwise, NA must be reported.

EPIMS6070 - Date of Exit (SR27) must not be reported for employed staff

If Employment Status (SR09) does not indicate an exit (not equal to '04'), then an exit date should not be reported and **NA** should be reported in SR27.

EPIMS6080 - Date of Exit (SR27) must be reported for exited staff

If Employment Status (SR09) indicates an exit (equal to '04'), then an exit date should be reported and must not equal NA.

SIF Object: EmploymentRecord

EPIMS6090 - Date of Exit (SR27) for exited staff must be between the Date of Hire (SR11) and the date of collection.

For exited staff, SR27 must be between the Date of Hire (SR11) and the date of collection (usually October 1 or the last day of school) inclusive.

EPIMS6100 – Invalid District Level Educator’s Professional Teacher Status (SR28)

SR28 must be one of the valid codes for Educator’s Professional Teacher Status listed in the EPIMS Data Handbook. It must not be blank or null

EPIMS6110 - Not Applicable must be reported in Educators Professional Teacher Status (SR28) for Charter Schools

For all Charter Schools, SR28 must be “Not Applicable”.

EPIMS6120 - If the Overall Evaluation is non-administrative, then Professional Teacher Status cannot be NA (99)

If a staff member in a public district has been evaluated as a non-administrator then the value of SR28 cannot be 99.

EPIMS6130 - SR29 through SR33 must be “Not Applicable” where no Work Assignment records have been reported

For educators who have no Work Assignments in the EOY collection, SR29 through SR33 must be “Not Applicable”.

EPIMS6140 - Educator’s Professional Teacher Status (SR28) must be “Not Applicable” where Job Classifications do not require a License

For educators *whose only* job classifications are ones that do not require an ESE license, SR28 must be “Not Applicable”.

EPIMS6150 - Invalid Educator’s Professional Teacher Status (SR28)/ Admin

For educators with job classifications that require an ESE license and *whose positions are only administrative*, SR28 must be “Not Applicable”.

EPIMS6160 - Teachers must report Professional Teacher Status (SR28)

In EOY, in non-Charter Public School Districts, for educators with job classifications that require an ESE license and *whose positions are non-administrative*, SR28 may not be “Not Applicable” (99).

SIF Object: EmploymentRecord

EPIMS6170 - All individuals reported as active in the previous collection must have a staff roster record in current collection

If SR09 = 01, 02, 03 or 05 for the previous reporting period, the individual must be reported in the SR file for the current collection period. If they have since exited, they should be reported as SR09 = 04.

EPIMS6180 - Exited Staff (SR09=04) that worked in current school year must have at least one work assignment record

If a staff member is reported as exited (SR09=04) in the current period, then s/he must have at least one work assignment if they worked in current school year.

EPIMS6208 - SR Record missing for WA record

The MEPID has a work assignment, but not a staff roster record. All reported staff must have a staff roster record.

EPIMS6266 - Overall rating (SR29) cannot be proficient or exemplary if standard 1 and/or 2 (SR30 and SR31) rating is "needs improvement"

Overall rating (SR29) cannot be proficient or exemplary if standard 1 and/or 2 (SR30 and SR31) rating is "needs improvement"

EPIMS6168 - Overall Summative Rating (SR29) invalid with Standard (1) Rating(s) (SR30 / Administrators)

Overall Summative Rating (SR29) and Standards Ratings must be all administrator codes, not teacher codes

EPIMS9500 - District is identified with staff attendance rate of 98.0% or higher. Please reach out to Data Collection Support.

Please review the attendance data. If the staff attendance is correct, please reach out to Data Collection for an exception.

EPIMS9510 - District is identified with staff attendance rate lower than 90.0%. Please reach out to Data Collection Support.

Please review the attendance data. If the staff attendance is correct, please reach out to the Data Collection for an exception.

EPIMS9520 - Exited staff with work assignments should not have 0 Expected Days of Attendance

If a staff member has work assignments in current school year, they should not have 0 expected days of attendance in SR37.

SIF Object: SchoolCourseInfo

EPIMS6300 - Missing Subject Area–Course (WA10)

WA10 must be a valid subject area–course code listed in the EPIMS Data Handbook. It must not be blank or null.

EPIMS6310 - Invalid Subject Area/Course (WA10) code

WA10 must be one of the valid codes for subject area/course listed in the EPIMS Data Handbook. It must not be blank or null.

EPIMS6320 - Invalid CIP (WA10) code

If the educator teaches in a Chapter 74–approved program, the subject area/course code (WA10) should be a seven-digit CIP code listed in the subject area/course codes found in the EPIMS Data Handbook. It should not be a five-digit NCES/EPIMS code, also found in the subject area/course code list.

EPIMS6330 - District not approved for CIP program

WA10 must be the seven-digit (CIP) code if the vocational teacher is teaching in a Chapter 74–approved program. If the school is not Chapter 74–approved, the vocational teacher’s courses must be coded with the five-digit EPIMS/NCES codes.

EPIMS6340 - Prior-to-Secondary Course Code (WA10) required for Grade (WA09) reported

If WA09 = PK, K, 01, K01, 0102, 02, 03, 04, 05, 06, 07, or 08, then prior-to-secondary course code must be reported.

EPIMS6350 - Secondary Course Code (WA10) required for Grade (WA09) reported

If WA09 = 09, 10, 11, or 12, then secondary course code must be reported.

EPIMS6360 - Subject Area-Course (WA10) not valid for Work Assignment (WA08) (A)

If WA08=011, then WA10=01008.

EPIMS6370 - Subject Area-Course (WA10) not valid for Work Assignment (WA08) (B)

If WA08 = 010, then WA10 must equal 51008.

EPIMS6380 - Prior-to-Secondary Course Code (WA10) required for Assignment (WA08)

If WA08 = 001, 010, 014, 212 or 301, then a prior-to-secondary course code must be reported.

EPIMS6390 - Secondary Course Code (WA10) required for Assignment (WA08)

If WA08 = 002, 011, 020, 208, 302, 303 or 213 then a secondary course code must be reported.

SIF Object: SchoolCourseInfo

EPIMS6400 - Subject Area-Course (WA10) not valid for Work Assignment (WA08) and Job Classification (WA07)

If WA07=2305, 2306, 2307, 2308, 2310 or 2325 and WA08 is a non-core assignment, then subject area course code (WA10) must not be 00000.

EPIMS6410 - Non Instructional Paraprofessionals (WA08) must have 00000 for a Course Code (WA10)

Non-instructional paraprofessionals (WA08=406) must have N/A for a Course Code (WA10 = 00000).

EPIMS6420 - All Subjects course code (WA10=99999) is only valid for secondary SPED or ELL work assignments

If WA10=99999, then WA08 must be a Secondary SPED & ELL code (WA08 = '003','004','005', '006', '007','008','016', '020', '402' or '404').

EPIMS6430 - All subjects course code (WA10=99999) is not valid for virtual classrooms

If WA10=99999, then WA07 must not be virtual (2307, 2308).

EPIMS6440 - All subjects course code (WA10=99999) is not valid for prior-to-secondary classes

If WA10=99999, then grade (WA09) must be 09 to 12 or 88 or 99.

EPIMS6450 - Prior-to-Secondary Education Class WA10= 73039 must use a multiple grade code (WA09)

The course code (WA10) of 73039 is to be used for general education classes which cannot be differentiated by a single grade level. When reported, the value of WA09 must be K01, 0102, 88 or 99. When there is a predominant grade in a general education classroom, use the grade specific codes 73029 through 73038.

EPIMS6460 - Tutors (WA07=3323) must have N/A values for Grade (WA09), Subject Area-Course (WA10), Class Section (WA11)

Tutors may not be reported with specific courses, grades or sections.

EPIMS6470 - MEPID (WA01)/Job Classification (WA07)/Assignment (WA08)/Course (WA10)/Section (WA11)/ Course Term (WA16) combination must be unique within School (WA06)

Determines uniqueness of a Work Assignment Record within a school by the combination of MEPID, Job Classification, Assignment, Subject Area/Course, Class Section and Course Term.

SIF Object: SchoolCourseInfo

EPIMS6480 – Secondary Core Subject Area-Course Code (WA10) for Job Classification (WA07=2305, 2306, 2307, or 2308) must have multiple WA records & FTE (WA12) must be less than 1.0 per course term

If WA07=2305, 2306, 2307, or 2308 and WA10 is a secondary, core subject area-course code and does not equal CIP Code, then there must be more than one Work Assignment record and WA12 must be less than 1.0 per record per course term.

SIF Object: StaffAssignment

EPIMS6600 - Days of Attendance must be between 0 and 261

Days of Attendance (SR36) must be between 0 and 261 in EOY and for exited staff. In October, a value of 999 (not applicable) may be reported for working staff.

EPIMS6605 - Working Staff may not have 0 Days of Attendance.

A staff member reported as working and not on leave (SR09=01 or 05) must not be reported with 0 days of attendance.

EPIMS6606 - Days of Attendance (SR36) has invalid format

Days of attendance must be numeric

EPIMS6610 - Expected Days of Attendance must be less than 261 days.

Expected Days of Attendance (SR37) must be less than 261 days in EOY and for exited staff. In October, a value of 999 (not applicable) may be reported for working staff.

EPIMS6615 - Exited staff may not report NA (999) for days of attendance or expected days (may report 0)

Staff reported as exited must report applicable days of attendance and expected attendance. A value of zero (0) may be reported for staff who exit between school years.

EPIMS6620 - Expected Days of Attendance must be greater than or equal to Days in Attendance

The value of SR37 (Expected Days of Attendance) must not be less than the Days of Attendance.

EPIMS6625 - SR36 Staff Days of Attendance exceeds maximum for collection period. Attendance Days value cannot exceed 65 days in October Collection.

The value of SR36 (Days of Attendance) must not exceed 65 days in October

EPIMS6626 - SR37 Staff Expected Days of Attendance exceeds maximum for collection period. Expected Attendance Days value cannot exceed 65 days in October Collection

The value of SR37 (Expected Days of Attendance) must not exceed 65 days in October

EPIMS6630 -Working Staff may not have 0 Expected Days of Attendance.

A staff member reported as working and not on leave (SR09=01) must not be reported with 0 expected days of attendance.

EPIMS6640 - Expected Days of Attendance (SR37) is not consistent with the Termination date (SR27)

The number of days between the hire and termination date of a staff member should be consistent with working a standard 5 day work week.

EPIMS6650 – Invalid Beginner Educator Identifier (SR38)

SR38 must be one of the valid codes for Beginner Educator Identifier found in the EPIMS Data Handbook. It must not be blank or null.

SIF Object: StaffAssignment

EPIMS6655 - Staff has experience in primary job classification and so may not be reported as a beginning educator in SR38.

If a staff member has recorded over a year in a reported job classification, then s/he may not be reported as a beginning educator for that classification.

For the purposes of this validation, teaching classifications are combined into one; so '2305', '2306', '2307', '2308', '2310' and '2325' are all considered to be the same.

EPIMS6660 - Invalid/Missing Job Classification (WA07)

WA07 must be a valid job classification code listed in the EPIMS Data Handbook. It must not be blank or null.

EPIMS6670 - Job Classification (WA07) not valid with Grade (WA09) and should be reported at the school level in District/School ID (WA06)

If WA07 = 1305, 1310, 1320, 3329, 3330, 3350, 3351, 3360, 3361, 3370, 3371, 5020, or 5021, then WA06 must equal a school code (the last four digits of the eight-digit number must not be 0000) and WA09 must equal 00.

EPIMS6680 - Job Classification (WA07) not valid with Grade (WA09) and should be reported at the district level in District/School ID (WA06)

If WA07 = 1200, 1201, 1202, 1205, 1211, 1212 or 1226 then the WA06 must equal a district code (the last four digits of the eight-digit number must be 0000) and the WA09 must equal 00.

EPIMS6690 - Job Classification (WA07=1312) must be reported at the school level (WA06)

If WA07=1312 (School Special Education Administrator), then WA06 must be a school code.

EPIMS6700 - Working Staff (SR09=01) must have at least one work assignment record reported in an active term (WA17=01)

If SR09 = 01, must have at least one work assignment record in an active term. If the employee is working, their MEPID must be reported at least once in a work assignment file.

EPIMS6710 - Superintendent Job Classification (WA07) required/must be one and only one WA record reported for your district

There must be exactly one work assignment record in a single active period reported with WA07 = 1200 for each school district for active records (SR09=01), including charter and Collaborative school districts.

EPIMS6720 - Principal Job Classification (WA07) required

There must be one or more work assignment record for all active periods reported with WA07 = 1305 for each school or charter or collaborative school for active records (SR09=01).

SIF Object: StaffAssignment

**EPIMS6730 - Special Education Administrator Job Classification (WA07)
required/must be one and only one WA record reported for your district**

There must be exactly one work assignment record in a single active period reported with WA07 = 1212 for each school district, collaborative and charter school for active records (SR09=01).

SIF Object: StaffAssignment

EPIMS6740 - Only one working Teaching assignment (WA07=2305, 2307 or 2325) may be reported for a class

For any unique combination of School (WA06), Course (WA10), Section (WA11) and Term (WA16), only one working (SR09=01) solo teacher (WA07=2305, 2307 or 2325) can be reported. If multiple teachers are assigned to a course, then they must be reported as Co-Teachers (WA07=2306 or 2308).

EPIMS6750 – The number of working Co-Teaching assignments (WA07=2306, 2308 or 2325) may be reported for a class must be between two and four.

For co-teachers reported (job classification 2306, 2308 or 2325), only TWO working (SR09=01) staff may be reported within a school for a subject area course code, class section, and course term.

EPIMS6760 – A maximum of four Support Content assignments (WA07=2310) may be reported for a class

No more than four support content teachers (job classification 2310) may be reported within a school for a subject area course code, class section, course term, and term status.

EPIMS6770 – The number of Co-Teaching assignment records (WA07=2306 or 2308) reported for a class must not equal 1

If co-teachers reported (Job Classification 2306 or 2308), then must not report one single co-teacher within a school for a subject area course code, class section, and course term.

EPIMS6790 – Virtual and traditional teachers may not be combined in the same class

Co-teachers (2306) must not be reported with virtual co-teacher (2308) for a class and vice versa. 2306 and 2308 must not be reported for the same class (WA06, WA10, WA11, WA16)

EPIMS6800 - FTE (WA12) Invalid value

WA12 must be equal to or less than 1.0 and cannot equal 0.

EPIMS6810 - FTE (WA12) Invalid format

It requires a minimum of 2 and a maximum of 5 characters, including a decimal point, and must not be blank or null.

SIF Object: StaffAssignment

EPIMS6820 - Total of FTE cannot be greater than 1.5 for an educator per term

The sum of FTE (WA12) for all the records with the same MEPID, must be less than or equal to 1.5 for each inactive course term except for Multiple Quarters (45), Multiple Non-consecutive Quarters (46), Multiple Quinesters (56), Multiple Non-Consecutive Quinesters (57), Multiple Mini-terms (78) and Multiple Non-Consecutive Mini-Terms (79).

EPIMS6830 - Total of FTE (WA12) cannot be greater than 1.5 for an educator for all active terms

The sum of WA12 for all the records with the same MEPID, must be less than or equal to 1.5 for all active terms.

EPIMS6840 - School(s) missing WAR(s)

Every school in a district must submit at least one Work Assignment Record. This rule checks if any school is missing.

EPIMS6850 - Staff receiving Title I funding must be reported in Title I school(s) (WA06)

Staff receiving with Title I funding (SR12 or SR14 or SR16) must be reported in at least one Title I school.

EPIMS6860 - Work Assignment record for lead teacher (WA07 = 2305 or 2307) is inactive (WA17 = 03)

All teaching assignments (2305, 2306, 2307, 2308 or 2325) for this particular school/course/section/term are inactive (WA17 = 03). The assignment that is active at report date should have a WA17 value of 01. Please check the staffsectionassignment end date as it compares to report date.

EPIMS7200 - Invalid Overall Annual Summative Evaluation or Formative Evaluation Rating (SR29)

SR29 must be one of the valid codes for Educator's current school year overall Summative Evaluation rating or Formative Evaluation rating listed in . It must not be blank or null.

EPIMS7210 - Evaluation Fields (SR29-SR33) must either be all N/A (99) or all valid evaluation codes.

SR29 through SR33 must reflect a consistent standard. If a staff member is not subject to reportable evaluation then all standards must be NA. If a staff member is subject to reportable evaluation then all evaluation standards must be not NA (99).

EPIMS7220 - Ratings must be all Summative

If SR29 is a Summative rating, then SR30-SR33 must be all Summative ratings.

EPIMS7230 - Ratings must be all Formative

If SR29 is a Formative rating, then SR30-SR33 must be all Formative ratings.

EPIMS7240 - Overall Summative Rating (SR29) invalid with Standard Rating(s) (SR30-SR33)

For educators with job classifications that require an ESE license, if SR29 is not 00, then SR30 through SR33 must not be 00.

EPIMS7250 - Overall Summative Rating (SR29) invalid with Standard Rating(s) (SR30-SR33)

For educators with job classifications that require an ESE license, if SR30 through SR33 is not 00, then SR29 must not be 00.

EPIMS7260 - Summative/Formative Evaluation Rating (SR29) must be "Not Applicable" where Job Classifications do not require a License

For educators *whose only* job classifications are ones that do not require an ESE license in the EOY collection, SR29 must be "Not Applicable".

EPIMS7270 - Invalid Evaluation Rating (SR29) – Check that evaluation date is in current calendar year.

In EOY, for educators with job classifications require a DESE license, SR29 must not be "Not Applicable" with these exceptions: For 1205 (Other District Wide Administrators), 1208 (Human Resources Director), 1224 (Supervisor/Director/Coordinator: Technology) and 1320 (Other School Administrator/ Coordinator) an evaluation is optional and may report N/A (99). For 2325 (Long Term Substitute teachers) who are employed for less than 3 months, districts may report N/A (99) in this field. Commonwealth Charter Schools and collaboratives may report N/A (99) for all staff regardless of license requirements.

SIF Object: TermInfo

EPIMS7280 - Overall Summative Rating (SR29) invalid with Standard (1) and/or Standard (2) Rating(s) (SR30-SR31) /Non-Administrators

For staff whose licensed job classifications are only non-administrative positions, SR30 and SR31 must be 13 through 20 if SR29 is 13 through 20.

EPIMS7290 - Overall Summative Rating (SR29) invalid with Standard (1) Rating(s) (SR30 /Administrators

For administrative job classifications that require an ESE license, SR30 must be 13 through 20 if SR29 is 13 through 20.

EPIMS7300 - Administrators may only be evaluated with administrative ratings.

In the EOY collection, if a staff member who is subject to evaluation has no non-administrative work assignments then their Ratings (SR29-SR33) cannot be non-administrative ratings.

EPIMS7310 - Non-Administrators may only be evaluated with non-administrative ratings.

In the EOY collection, if a staff member who is subject to evaluation has no administrative work assignments then their Ratings (SR29-SR33) cannot be administrative ratings.

EPIMS7320 - EOY Non-Administrative Rating in SR29 may not be re-characterized as Administrative in October

Staff evaluation data reported in October must be consistent in that a teacher rating can only be corrected to be a different teacher rating

EPIMS7330 - EOY Administrative Rating in SR29 may not be re-characterized as Non-Administrative in October

Staff evaluation data reported in October must be consistent in that an administrative or "not evaluated" rating can only be corrected to be a different administrative rating

EPIMS7340 - Evaluation data may only be reported in October if it is an update to EOY data.

Staff evaluation data reported in October must be different than that reported in EOY. The staff member must have been subject to evaluation in the EOY collection.

EPIMS7350 - A "Not Evaluated" rating for SR29 may only be reported in October if it is an update to EOY evaluation data.

If a staff member was reported as "Not Evaluated" in EOY, they may not be reported again as "Not Evaluated" in October. Report "99" (Not applicable) instead

EPIMS7360 - Invalid Standard (1) Evaluation Rating (SR30)

SR30 must be one of the valid codes for Educator's current school year evaluation rating on Standard (1) listed in . It must not be blank or null.

EPIMS7370 - Invalid Standard (2) Evaluation Rating (SR31)

SR31 must be one of the valid codes for Educator's current school year evaluation rating on Standard (2) listed in . It must not be blank or null.

EPIMS7380 - Invalid Standard (3) Evaluation Rating (SR32)

SR32 must be one of the valid codes for Educator's current school year evaluation rating on Standard (3) listed in . It must not be blank or null.

EPIMS7390 - Invalid Standard (4) Evaluation Rating (SR33)

SR33 must be one of the valid codes for Educator's current school year evaluation rating on Standard (4) listed in . It must not be blank or null.

EPIMS7400 — Educator Evaluation Data Missing

For educators with job classifications that require an ESE license, evaluation data must be reported in EOY. Collaboratives may report N/A (99) for all staff regardless of license requirements.

EPIMS7410 - Staff reported as a beginner educator (SR38 = 01) must have the MEPID of their mentor reported in SR34

See EPIMS data handbook for list of job classifications where mentor MEPID (SR34) is required for staff in their first year of experience.
Commonwealth Charters and collaboratives may report 99 in SR34 for all staff

EPIMS7420 - The MEPID submitted in SR34 cannot be the MEPID of the beginner educator mentee. Please report the MEPID of the educator's mentor

The MEPID reported in SR34 for a beginner educator cannot be the MEPID of the staff member themselves.

EPIMS7430 - If staff is not a Beginner Educator (SR38 = 01), then Mentor MEPID (SR34) should be 99

Mentor MEPID (SR34) should be not applicable if staff is not identified as a beginner educator in SR34

EPIMS7440 - Invalid Value in SR34 element. Only acceptable values are a valid MEPID or 99

SR34 must be 99 or represent an active MEPID in the staff directory lookup table.

EPIMS7450 - Invalid WA12 and WA17 value combination. FTE (WA12) cannot be .001 for assignments with Term Status (WA17) 01

Assignments that are in an active term (WA17 value of 01) should have an active FTE value in WA12.

EPIMS9000 - Invalid/Missing Course Term (WA16)

WA16 must be a valid course term code listed in the EPIMS Data Handbook. It must not be blank or null.

EPIMS9010 - Future Course Terms (WA16) should not be reported in October

In October, the following terms (WA16) must not be reported at all: Second Semester (22), Second Trimester (32), Third Trimester (33), Third Quarter (43), Fourth Quarter (44), Third Quinmester (53), Fourth Quinmester (54), and Fifth Quinmester (55).

SIF Object: TermInfo

EPIMS9020 - Invalid/Missing Term Status (WA17)

WA17 must be a valid term status code listed in the EPIMS Data Handbook. It must not be blank or null.

EPIMS9030 - Term Status (WA17=Inactive) invalid with Course Term (WA16)

In EOY, the following terms (WA16) must be reported as active (WA17=01): full year (01), third trimester (33), second trimester (22), fourth quarter (44), and fifth Quinmester (55).

EPIMS9040 - Term Status (WA17=Active) invalid with Course Term (WA16)

In EOY, the following terms (WA16) must be reported as inactive (WA17=02): first quarter (41), first semester (21), first trimester (31), and first quinmester (51).

EPIMS9050 - Term Status (WA17=Inactive) invalid with Course Term (WA16)

In October, the following terms (WA16) must be reported as active (WA17=01): full year (01), first trimester (31), first semester (21), first quarter (41), and first quinmester (51).

EPIMS9060 - EPIMS9060 - Inactive Staff may not be reported in an active assignment.

Staff reported as inactive (SR09 equals 02, 03 or 04) may not be reported with an active assignment (WA17=01). If the term of the assignment is active, then report WA17 as 03.

EPIMS9100 - Invalid Class Section (WA11)

WA11 must not be blank or null.

EPIMS9110 - Class Section (WA11) invalid

An alphanumeric string of 20 characters or less. Special characters other than hyphen, space, parentheses, underscore, forward slash and period are not acceptable. If no class section is required, the code "0" should be entered in this field.

EPIMS9120 - Class Section (WA11) must be reported for teachers in grades PK–12

If Job Classification (WA07) = 2305, 2306, 2307, 2308, 2310, or 2325, and Grade (WA09) = PK–12, K01, 0102, 88 or 99 then WA11 must not equal 0 (Not Applicable).

EPIMS9130 - Invalid/Missing Grade (WA09)

WA09 must be a valid grade code listed in the EPIMS Data Handbook. It must not be blank or null.

EPIMS9140 - Grade (WA09) must be reported for teachers

If Job Classification (WA07) = 2305, 2306, 2307, 2308, 2310, or 2325, then WA09 must not equal 00 (Not Applicable).

EPIMS9150 - Grade (WA09) not valid with Subject Area/Course (WA10)

If WA09 = 00, then WA10 has to be 00000 and if WA09 does not equal to 00, then WA10 must not equal to 00000. If WA10 does not equal 00000, then WA09 must not equal 00.

EPIMS9160 - Number of records with Grade (WA09) equaling 88 or 99 exceeds limit

The number of work assignment records a district submits where the grade is identified as multiple or all (WA09 = 88 or 99) for teachers (WA07 = 2305 or 2307) cannot exceed a reasonable rate (30%)

SIF Object: StaffSectionAssignment

EPIMS9400 - Invalid/Missing Teacher/Paraprofessional Assignment (WA08)

WA08 must be a valid assignment code listed in the EPIMS Data Handbook. It must not be blank or null.

EPIMS9410 - Not Applicable work assignment (WA08) not applied as required

If WA07 = 2305, 2306, 2307, 2308, 2310, 2325, or 4100, then WA08 cannot be 000 (not applicable), and if WA08 = 000, then WA07 cannot be 2305, 2306, 2307, 2308, 2310, 2325, or 4100.

EPIMS9420 - Support Content work assignment (WA08) not applied as required

If WA07 = 2310, then WA08 must equal one of the following codes: 005, 006, 012, 014, 020, 208–304, 215 and if WA08 = 005, 006, 012, 014, 020, 215, then WA07 must equal 2310 or 2325.

EPIMS9430 - Core work assignment (WA08) not applied as required

If WA10 represents a core course code, then WA08 must either be a core assignment code (001-020) or an instructional paraprofessional code (401-405). If WA08 is a core assignment code (001-020), then WA10 must be a core course.

EPIMS9440 - Paraprofessional work assignment (WA08) not applied as required

If WA07 = 4100, then WA08 must equal 401– 406, and if WA08 = 401– 406, then WA07 must equal 4100.

EPIMS9450 - Title I School Type invalid for Assignment (WA08)

If a school does not have a Title I targeted assistance or school-wide program, then WA08 cannot be 401 (Title I paraprofessional).

EPIMS9460 - A virtual-only school may not report traditional classroom teachers (WA07=2305 or 2306)

If WA06 is a virtual school, then it cannot report 2305, 2306 for a work assignment.

EPIMS9470 - No Work Assignments reported with EL assignment codes for the District. Please reach out to Data Collection Support.

Please review the WA08 assignment codes to make sure that any EL assignments are reported with the correct WA08 value. If the data is correct, please reach out to the Data Collection for an exception.

EPIMS9480 - No Work Assignments reported with SPED assignment codes for the District. Please reach out to Data Collection Support.

Please review the WA08 assignment codes to make sure that any Special Ed assignments are reported with the correct WA08 value. If the data is correct, please reach out to the Data Collection for an exception.

Discontinued Elements

EPIMS9900 - Data elements discontinued (SR35), should be 99.

SR35 has been discontinued. "Not Applicable" (99) should be reported for all staff.

EPIMS9910 - Data elements discontinued (WA13, WA14, WA15), should be 99.

WA13, WA14 & WA15 have been discontinued. "Not Applicable" (99) should be reported for all staff.

SIF Validations

In addition to the EPIMS validations mentioned, LEAs submitting their EPIMS data via SIF will have their data validated with some enhanced rules. These are designed to assist in diagnosing the cause of certain errors as well enhance the quality of the data by utilizing data elements which are unavailable to those submitting via flat file.

SIF1105 - SchoolCourseInfo SchoolInfoRefId is missing

Object: SchoolCourseInfo

Element: SchoolInfoRefId

A SchoolCourseInfo object has been received which references a school for which a SchoolInfo object has not been received.

SIF1117 - SchoolInfo LeInfoRefId is missing

Object: SchoolInfo

Element: LEInfoRefId

A SchoolInfo object has been received which with a missing LEInfoRefId element.

SIF1118 - SchoolInfo LeInfoRefId is unknown

Object: SchoolInfo

Element: LEInfoRefId

A SchoolInfo object has been received which with an invalid LEInfoRefId element.

SIF1119 - TermInfo SchoolInfoRefId is missing

Object: TermInfo

Element: SchoolInfoRefId

A TermInfo object has been received with no SchoolInfoRefId.

SIF1120 - TermInfo SchoolInfoRefId is unknown

Object: TermInfo

Element: SchoolInfoRefId

A TermInfo object has been received which references a school for which a SchoolInfo object has not been received.

SIF1141 - Invalid/Missing Leave Start Date

Object: EmploymentRecord

Element: LeaveStartDate

Leave Start Date must be in YYYY-MM-DD standard SIF format.

SIF1142 - LeaveStartDate value cannot be blank when SR09 is 02 or 03.

Object: EmploymentRecord

Element: LeaveStartDate

If SR09 employment status is 02 or 03 (on leave), then LeaveStartDate must be populated

SIF Validations

SIF1143 - SR09 cannot be 01 or 05 when LeaveStartDate value is prior to collection start date.

Object: EmploymentRecord

Element: LeaveStartDate

If LeaveStartDate is populated, then the SR09 employment status value should be 02 or 03 (on leave).

SIF1164 - StaffAssignment missing StaffPersonal

Object: StaffAssignment

Element: StaffPersonalRefId

No StaffPersonal record can be found for a submitted StaffAssignment record.

SIF1165 - StaffSectionAssignment missing StaffPersonal

Object: StaffSectionAssignment

Element: StaffInfoRefId

A StaffSectionAssignment object has been received which references a staff for whom a StaffPersonal object has not been received.

SIF1166 - Teaching StaffAssignment missing StaffSectionAssignment with matching role

Object: StaffAssignment

Element: StaffAssignment/JobFunction/OtherCode & StaffSectionAssignment/Role

A StaffSectionAssignment object has not been received with a teaching role to match a StaffAssignment with a teaching function.

SIF1167 - Multiple primary assignments

Object: StaffAssignment

Element: StaffAssignment/PrimaryAssignment

Only one active StaffAssignment may have the PrimaryAssignment flag set to Yes.

SIF1169 - StaffPersonal missing StaffAssignment

Object: StaffAssignment

Element: StaffPersonalRefId

No StaffAssignment can be found for a staff member's StaffPersonal record.

SIF1170 - StaffSectionAssignment missing StaffAssignment with matching JobFunction

Object: StaffSectionAssignment

Element: Roles/Role

StaffSectionAssignments must have a corresponding StaffAssignment with a JobFunction which matches the role reported.

SIF1172 - EmploymentRecord missing LEAInfo

Object: EmploymentRecord

Element: LEAInfoRefId

An EmploymentRecord object has been received which with a missing LEAInfoRefId element.

SIF Validations

SIF1188 - SectionInfo with StudentSectionEnrollments but no StaffSectionAssignments

Object: StaffSectionAssignment

Element: SectionInfoRefId

A StaffSectionAssignment object has not been received which references a SectionInfo object, implying that there is no teacher for the section.

SIF1189 - SectionInfo with StaffSectionAssignments but no StudentSectionEnrollments

Object: SectionInfo

Element: StudentSectionEnrollment/SectionInfoRefId

A staffed course section exists, but no students have been enrolled in it.

Revision History

Version	Date of Change	Description
10.0	10/1/2026	Updated for 2026-27 school year
9.9	10/1/2025	Added 6208,9500,9510,9520,7450, 9470,9480. Updated 6760.
9.8	3/25/2025	Added 7440
9.7	10/1/2024	Added SIF1141, SIF1142, SIF1143. Added 6860. Added 6625, 6626
9.6	10/3/2022	Added 7410,7420,7430
9.04	05/01/19	Updated 3910, 3930, 3950, 6740, 6750 Added 9060
9.03	02/15/19	Added SIF1164,SIF1166,SIF1167.SIF1188 & SIF1189
9.02	8/17/18	Deprecated 6040 Updated 4000, 6600, 6610 Added 6615
9.01	4/5/2018	Added missing documentation for 6605 & 7275
9.00	12/11/17	SIF Renumber
8.00	09/01/17	Deleted 2032, 2046, 2106, 2107, 2108, 2114, 6028, 6047, 6096, 6109, 6113, 6114, 6124, 6142, 6161, 6162, 6163, 6172, 6176, 6178, 6218, 6219, 6220, 6227, 6280 & 6292 Renumbered 6266 to 6083 , 6268 to 6085 Added: 6000 , 0905 , 6049 , 6050 , 6055 , 6056 , 6235 , 6255
7.00	05/04/16	Deleted 6078,6080,6082,6084 which refer to discontinued SR35
6.02	10/01/15	Added 2048
6.01	8/16/15	Deleted 6060 & 6062 Restricted 6086 and 6252 to non-charter districts Restricted 6238 , 6242 , 6272 & 6274 to EOY collection Renumbered 6264 to 6079 and made it a step 1 validation Renumbered 6265 to 6081 and made it a step 1 validation Added 6284 , 6286 , 6288 & 6290
6.0	8/15/15	Deleted 6064-6070, 6244-6249, 6256-6262 Updated text for 6074 , 6250 Removed references to RTTT from 6254 , 6270 Added 6282
5.2	5/15/15	Updated EPIMS2032 to allow for reporting SR34 Added EPIMS6280 Added EPIMS6252
5.1	2/4/15	Consolidated 6049 & 6050 into 6028 (existing validation) Consolidated 6055 & 6056 into 6054 (existing validation)
5.0	08/27/14	Changed header of 6128 -6130 Deleted 6131-6141, 6145 which have been consolidated in new validations Added 6174 , 6176 , 6178 6129 – added 2325 to valid WA07 codes 6076 – changed header and updated documentation 6077 – added documentation to existing validation. 6266 , 6268 corrected typo in description. Changed “or” to “through”
