SIMS File Upload Errors (Data Format Errors)

Student file: Invalid file - No records available in this file!

File is empty, it contains no information.

Student File: NULL value in file

One of the data elements is empty (" " or " " or ,,) or two data elements were combined by mistake ("500500").

Student record: Line No <> + Invalid character(s) in this line

At that particular line, there are invalid characters.

Student record: Line No < > + Too many elements

At this line (or at the record above), there are more than 52 data elements in the file. There is an additional comma in the file, most often in the last name or place of birth fields.

Student SASID duplicated

Within the files sent by the district, either two different students have the same SASID or the same student is listed twice or the same student is in two different files.

SIF Missing Student Errors (SIMS 100)

SIMS100 - Enrolled student from previous collection not reported currently

It is not entirely clear why this enrollment is not appearing in SIMS. Contact the Data Collection Support team.
OCT,MAR,EOY

SIMS101 - Enrolled student from previous collection not reported currently # Missing StudentSchoolEnrollment

A StudentSchoolEnrollment object is required to report a student's enrollment. The object is missing for this student. Contact your SIS software vendor.
OCT,MAR,EOY

SIMS102 - Enrolled student from previous collection not reported currently # Missing SchoolInfo

A SchoolInfo object is required to report a student's enrollment. The object is missing for this student. Contact your SIS software vendor.
OCT,MAR,EOY

SIMS103 - Enrolled student from previous collection not reported currently # Missing TermInfo

A TermInfo object is required for the school in which a student is enrolled to report a student's enrollment. The object is missing for this student. Contact your SIS software vendor.
OCT,MAR,EOY

SIMS107 - Enrolled student from previous collection not reported currently # Missing StudentPersonal

A StudentPersonal object with the student's SASID is required to report a student's enrollment. The object is missing for this student. Contact your SIS software vendor.
OCT,MAR,EOY

SIMS1316 - Students reported with grade level KT, PK2, or PK4 must have a DOE013 value of 08 (Tuitioned in – paid by parent/guardian)

Students whose parents pay tuition should be reported with DOE013 value of 08 and grade level KT if in Kindergarten, or PK2/PK4 if in PK Elements affected: DOE013, DOE016
OCT,MAR,EOY

SIMS2100 - Invalid School code (DOE015)

School code is not one of the acceptable codes found in School Profiles/Directory
DOE015 - School Code
OCT,MAR,EOY

SIMS2110 - An alternative education/Innovation program code is reported as a school code (DOE015)

A school code (DOE015) cannot be reported as an alternative education program (DOE027)
Elements affected: DOE015 - School code
OCT,MAR,EOY

SIMS2120 – DYS school code (DOE015 = 09200300) is for general education students only

School code 09200300 is for general education students in a DYS setting. Special education placement (DOE032 and DOE034) should be 00.
Elements affected: DOE032 – SPED Placement age 3-5, DOE034 - SPED Placement age 6-21, DOE015 - School Code
OCT,MAR,EOY

SIMS2130 - Institutional School (DOE015) requires an institutional SpEd placement (DOE032=45 or DOE034=90)

If student is in an institutional school (school code = 037000xx) then SpEd Placement (DOE032) must = 45 for students age 3-5 or (DOE034) must = 90 for students age 6-21.
Elements affected: DOE032 – SPED Placement age 3-5, DOE034 - SPED Placement age 6-21, DOE015 - School Code
OCT,MAR,EOY

SIMS2140 - An Institutional School Code (DOE015) must accompany a SpEd institutional Placement (DOE032 or DOE034)

Students reported as being placed in a Public Residential Institution (DOE032=45 or DOE034=90) should report and Institutional school in DOE015.
Elements affected: DOE032, DOE034, DOE015
OCT,MAR,EOY

SIMS2150 - PreSchool/HomeSchool (DOE015) is only valid for Services Only enrollment status

PreSchool/HomeSchool reported in DOE015 is only valid with enrollment status (DOE012 = 40 or 41). This DOE015 value is also valid with aged out or deceased statuses for former services only students.

SIF Object: SchoolInfo

Elements affected: DOE012 - Enrollment Status, DOE015 - School Code
OCT,MAR,EOY

SIMS2160 - Title I: status for the school is not available

The district has not yet responded to the ESE regarding Title I information.

DOE020 - Title I, DOE015 - School Code

OCT,MAR,EOY

SIMS2170 - Public/Charter school not valid for report/enroll code

If Reason for Reporting (DOE011) =02 and Reason for Enrollment (DOE013)

=07, then school code (DOE015) must not be a public/charter school

Elements affected: DOE011, DOE013, DOE015

OCT,MAR,EOY

SIMS2180 - School Code (DOE015) is not consistent with Reason for Enrollment (DOE013)

If Reason for Enrollment (DOE013) =06 (out of state) and Reason for Reporting (DOE011) =02 (sending) then the school code (DOE015) must be an out of state school.

Elements affected: DOE011 - Reason for Reporting, DOE013 - Reason for Enrollment, DOE015 - School Code

OCT,MAR,EOY

SIMS2200 - No students enrolled in school and/or grade level.

All opened schools within the district and all existing grades within the school are expected to report enrollment.

DOE015 - School Code, DOE016 - Grade Level

OCT,MAR,EOY

SIMS2300 - Duplicate Lasids Not Allowed

The district has one or more students using the same LASID. Duplicate Lasids Not Allowed

Elements affected: DOE001 - LASID
OCT,MAR,EOY

SIMS2310 - SASID (DOE002) not recorded in DESE student directory table

There is no SASID with that sequence of numbers in the student directory. Usually, it's a typo with one of the numbers.

Elements affected: DOE002 - SASID
OCT,MAR,EOY

SIMS2320 - SASID has been deactivated in student directory. Please use the active SASID:

This student had been assigned two SASID numbers. We "deactivated" one of the numbers assigned so please use "active" number

Elements affected: DOE002 - SASID
OCT,MAR,EOY

SIMS2330 - Student reported in prior period is missing (prior period elements displayed)

A SASID that in the prior collection is missing in the current collection. Any SASID reported must continue to be reported all year. (Not including summer grads, Reached Maximum Age or Deceased)

DOE002 - SASID
OCT,MAR,EOY

SIMS2340 - FN: First Name does not match directory:

First Name reported does not match the First Name in the student directory (provided in the error message)

Elements affected: DOE003 - First Name
OCT,MAR,EOY

SIMS2345 - Ch. 74 ("After Dark") program (DOE043) not approved for this School

The reported school is not designated as offering the "After Dark" Chapter 74 program reported in DOE043.

Elements affected: DOE015, DOE035, DOE043
OCT,MAR,EOY

SIMS2350 - FN: NMN is not allowed in the first name field

NMN is only permissible in the middle name field

DOE003 - First Name

SIF Object: StudentPersonal

OCT,MAR,EOY

SIMS2360 - MN: Middle Name does not match directory:

Middle Name reported does not match the Middle Name in the student directory (provided in the error message)

Elements affected: DOE004 - Middle Name

OCT,MAR,EOY

SIMS2370 – MN: Middle name=NMN percentage too high

More students than expected were reported with no middle name

Elements affected: DOE004 - Middle Name

OCT,MAR,EOY

SIMS2380 – MN: Middle name=NA percentage too high

Districts try to use NA for students with no middle names; must use NMN.

Elements affected: DOE004 - Middle Name

OCT,MAR,EOY

SIMS2390 - LN: Last Name does not match directory:

Last Name reported does not match the Last Name in the student directory (provided in the error message)

Elements affected: DOE005 - Last Name

OCT,MAR,EOY

SIMS2400 - LN: NMN is not allowed in the last name field

NMN is only permissible in the middle name field

Elements affected: DOE005 - Last Name

OCT,MAR,EOY

SIMS2410 - DOB does not match directory

DOB reported does not match the DOB in the student directory (provided in the error message)

Elements affected: DOE006 - DOB

OCT,MAR,EOY

SIMS2420 - Invalid City of Birth (DOE008)

Certain names and abbreviations are not allowed for City of Birth (i.e. US, USA, America, etc.)

Elements affected: DOE008 - City/Town of Birth

OCT,MAR,EOY

SIMS2430 - City of birth (COB)= NA percentage too high

Districts can use NA for city of birth if it is not immediately known for a small % of students.

SIF Object: StudentPersonal

Elements affected: DOE008 - City/Town of Birth
OCT,MAR,EOY

SIMS2440 - City of birth (COB)=state name percentage too high

A large number of students were reported as having a state name as their city of birth rather than a specific city, town or location.

Elements affected: DOE008 - City/Town of Birth
OCT,MAR,EOY

SIMS2450 - Gender does not match directory:

Gender reported does not match the Gender in the student directory (provided in the error message)

Elements affected: DOE009 – Gender
OCT,MAR,EOY

SIMS2460 - Invalid Race code (DOE010)

The code entered is invalid. Refer to valid values for DOE010 in the SIMS Data Handbook.

Elements affected: DOE010 - Race
OCT,MAR,EOY

SIMS2470 - Invalid City/Town of Residence code (DOE014)

The code entered is invalid. Refer to valid values for DOE014 - Town of Residence in the SIMS Data Handbook.

Elements affected: DOE014 - Town of Residence
OCT,MAR,EOY

SIMS2480 - METCO (DOE013 = 04) is only valid when Town of Residence (DOE014) is either Boston or Springfield

If reason for enrollment, DOE013 is 04, then the town of residence can only be 035 or 281 (Boston or Springfield).

Elements affected: DOE013 - Reason for Enrollment, DOE014 - Town of Residence
OCT,MAR,EOY

SIMS2490 - Reason for Enrollment (DOE013) is not consistent with out-of-state students (DOE014=888)

Town of residence (DOE014) must be 888 for student living outside of MA (except for students receiving sped services).

Elements affected: DOE011 - Reason for Reporting, DOE013 - Reason for Enrollment, Elements affected: DOE014 - Town of Residence
OCT,MAR,EOY

SIMS2500 - Tuitioned in out-of-state enrollment (DOE013=06) requires out-of-state town code (DOE014=888)

Town of residence (DOE014) must be 888 for student living outside of MA.
Elements affected: DOE011 - Reason for Reporting, DOE013 - Reason for Enrollment, Elements affected: DOE014 - Town of Residence
OCT,MAR,EOY

SIMS2510 - Town of Residence (DOE014) is not consistent with Resident Enrollment (DOE011=01)

If Reason for Reporting specifies resident status (DOE011 = 01) - then the Town of Residence code (DOE014) must be a member town of the district (except for students receiving sped services).
Elements affected: DOE011 - Reason for Reporting, DOE014 - Town of Residence
OCT,MAR,EOY

SIMS2520 - Reason for Enrollment (DOE013) is not consistent with Sending Enrollment (DOE011=02) for an out-of-district student.

If Reason for Reporting (DOE011)=02 and Reason for Enrollment (DOE013) is reported as anything other than 02 or 04 then the Town of Residence code (DOE014) must be a member town of the district.
Elements affected: DOE011 - Reason for Reporting, DOE013 - Reason for Enrollment, DOE014 - Town of Residence
OCT,MAR,EOY

SIMS2526 - Student reported as English Learner (DOE025 = 01) must have an EL program type identified in DOE026

If a student has been identified as an English Learner, the type of EL program they are enrolled in must be identified in DOE026
Elements affected: DOE025, DOE026
OCT,MAR,EOY

SIMS2530 - In district town (DOE014) is not consistent with School Choice or METCO Reason (DOE013 = 02 or 04)

If Reason for Reporting (DOE011) = 02 and Reason for Enrollment (DOE013)=02 or 04 then the Town of Residence code (DOE014) must not be a member town of the district.
Elements affected: DOE011 - Reason for Reporting, DOE013 - Reason for Enrollment, DOE014 - Town of Residence
OCT,MAR,EOY

SIMS2540 - Town of Residence (DOE014) is not consistent with Receiving Enrollment (DOE011=03)

SIF Object: StudentPersonal

If Reason for Reporting (DOE011)=03 (non-resident), then the Town of Residence code must be a non-member town of the district
Elements affected: DOE011 - Reason for Reporting, DOE014 - Town of Residence
OCT,MAR,EOY

SIMS2542 - ZIP Code is invalid.

The ZIP code reported in DOE051 should consist of five numeric characters.
Elements affected: DOE051 – ZIP Code
OCT,MAR,EOY

SIMS2544 - ZIP Code is inconsistent with town.

If DOE014 indicates a Massachusetts town code, the ZIP code reported in DOE051 should be one of those within the town boundaries. Homeless students and students in residential Placements are exempt. This validation only applies to active students (DOE012 = 01, 04, 10, 11 or 40)
Elements affected: DOE051 – ZIP Code, DOE014 - Town of Residence, DOE012 – Enrollment status
OCT,MAR,EOY

SIMS2546 – Out of state student has in-state ZIP code

If DOE014 indicates out of state (888), then the ZIP code reported in DOE051 should not be in Massachusetts. Homeless students are excepted. This validation only applies to active students (DOE012 = 01, 04, 10, 11 or 40)
Elements affected: DOE051 – ZIP Code, DOE014 - Town of Residence, DOE012 – Enrollment status
OCT,MAR,EOY

SIMS2550 - Invalid Low income status code (DOE019)

The code entered is invalid. Refer to valid values for DOE019 - Low Income in the SIMS Data Handbook.
Elements affected: DOE019 - Low Income
OCT,MAR,EOY

SIMS2560 - Invalid Years in US for EL code (DOE021)

The code entered is invalid. Refer to valid values for DOE021 - Years in US for EL in the SIMS Data Handbook.
Elements affected: DOE021 - Years in US for EL
OCT,MAR,EOY

SIMS2570 - Students in Pre-K and SP must report 00 in DOE021

Students in Pre-K and SP may not be reported as EL students in their first year in US schools (DOE021).
OCT,MAR,EOY

SIMS2572 - EL Student is not in first year of US schooling and so may not report 01 in DOE021

This student has been reported as being enrolled in a Massachusetts school for one or more years and so may not report as being in the first year of US schooling.

OCT,MAR,EOY

SIMS2580 - EL in First Year code (DOE021) not consistent with EL code (DOE025)

For students in K through 12, if DOE021=01 or 02, then DOE025 (EL) must equal 01.

Elements affected: DOE025 - EL, DOE021 - Years in US for EL, DOE016 - Grade Level
OCT,MAR,EOY

SIMS2590 - Invalid Immigrant status code (DOE022)

The code entered is invalid. Refer to valid values for DOE022 - Immigrant Status in the SIMS Data Handbook.

Elements affected: DOE022 - Immigrant Status
OCT,MAR,EOY

SIMS2600 - Student has spent more than 3 years in MA schools and so is not an immigrant by Federal standards.

Part of the federal definition of an immigrant student is that they not “have not been attending one or more schools in any one or more states for more than 3 full academic years.” This student was found to have been attending Massachusetts schools for three or more full academic years.

Elements affected: DOE022
OCT,MAR,EOY

SIMS2610 - Foreign exchange students should not be reported as immigrant students in DOE022

Foreign exchange students should not be reported as immigrants. (DOE022 - Immigrant Status)

Elements affected: DOE013 - Reason for Enrollment, DOE022 - Immigrant Status
OCT,MAR,EOY

SIMS2620 - Invalid Country of origin code (DOE023)

The code entered is invalid. Refer to valid values for DOE023 - Country of Origin in the SIMS Data Handbook.

Elements affected: DOE023 - Country of Origin
OCT,MAR,EOY

SIMS2630 - Country of Origin cannot equal 500 for Immigrants and must equal 500 for Non-Immigrants

The country of origin code (DOE023) should only be reported for students who are immigrants. If a student is not an immigrant, then the country of origin must be 500.

Elements affected: DOE022 - Immigrant Status, DOE023 - Country of Origin
OCT,MAR,EOY

SIMS2640 - Invalid First (native) language code (DOE024)

The code entered is invalid. Refer to valid values for DOE024 - First (Native) Language in the SIMS Data Handbook. Latin (code 480/lat) is not valid first (native) language code.
Elements affected: DOE024 - First (Native) Language
OCT,MAR,EOY

SIMS2650 - EL code (DOE025) not consistent with English reported as first language (DOE024). Please request an exception if this is accurate.

If the student's native language is English (eng) then the EL code (DOE025) should equal 00.
Elements affected: DOE024 - First (Native) Language, DOE025 - English Learner
OCT,MAR,EOY

SIMS2660 - Invalid English Learner code (DOE025)

The code entered is invalid. Refer to valid values for DOE025 in the SIMS Data Handbook.
Elements affected: DOE025 - English Learner
OCT,MAR,EOY

SIMS2661 – Student has met ACCESS test score to exit English Learner status. DOE025 should be 00.

DOE025 should be 00 (not English Learner) for students who have met the automatic exit criteria of 4.2 overall and 3.9 literacy ACCESS scores.
Elements affected: DOE025 - English Learner
OCT,MAR,EOY

SIMS2670 - EL Program code (DOE026) reported but student not reported as EL (DOE025)

Students in these EL programs (DOE026=01,03,04,05) should be English Learners (DOE025 = 01).
Elements affected: DOE025 – English Learner, DOE026 - English Language Program Status
OCT,MAR,EOY

SIMS2680 - Invalid Military Family code (DOE029)

Refer to valid values for DOE029 in the SIMS Data Handbook.
Elements affected: DOE029
OCT,MAR,EOY

SIMS2690 - Invalid CVTE Competency Attainment code (DOE031)

SIF Object: StudentPersonal

The code entered is invalid. Refer to valid values for DOE031 - CTE Competency Attainment in the SIMS Data Handbook.
Elements affected: DOE031 - CTE Competency Attainment
OCT,MAR,EOY

SIMS2700 - CVTE Competency Attainment Code (DOE031) appropriate only for the students in grades 9-12 and SP

If student is not in grades 09-12 then CTE Competency Attainment (DOE031) must =500.

ELEMENTS AFFECTED: DOE016 - Grade Level, DOE031 - CTE Competency Attainment

OCT,MAR,EOY

SIMS2710 - CTE- The student should be reported with a CTE competency attainment (DOE031) as s/he was previously reported with a competency attainment

If a student was reported with a competency attainment in a previous period then s/he must continue to be reported with that competency attainment or, if applicable, a different competency attainment in the current period

Elements affected: DOE031 - CTE Technical Competency Attainment

OCT,MAR,EOY

SIMS2720 - Invalid High School Completer Plans code (DOE033)

The code entered is invalid. Refer to valid values for DOE033 in the SIMS Data Handbook.

Elements affected: DOE033 - High school completer plans

OCT,MAR,EOY

SIMS2730 - Graduates: High school completer plans code (DOE033) invalid with enrollment status

If enrollment status (DOE012)=04, then High school completer plans (DOE033) must be 01-10. If enrollment status (DOE012)=10 or 11, then High school completer plans (DOE033) can be 01-10 and if enrollment status (DOE012) <> 04 (Graduate), then High school completer plans(DOE033) must be 500.

Elements affected: DOE033 - High school completer plans, DOE012 - Enrollment Status

OCT,MAR,EOY

SIMS2740 - Graduates- High school completer plans=unknown, percentage too high

Specific plans must be reported for a minimum percentage of graduates

DOE033 - High school completer plans, DOE012 - Enrollment Status

EOY

SIMS2750 - Invalid Grad Core Curriculum code (DOE037)

The code entered is invalid. Refer to valid values for DOE037 - Graduate, Completed Mass Core Curriculum in the SIMS Data Handbook. DOE037=00 is not valid for a graduate (DOE012=04).

SIF Object: StudentPersonal

Elements affected: DOE037 - Graduate, Completed Mass Core Curriculum,
DOE012 - Enrollment Status
OCT,MAR,EOY

SIMS2760 - Graduate, completed Mass core curriculum (DOE037) invalid for enrollment status(DOE012)

If DOE037= 01 or 02 then DOE012 must equal 04

Elements affected: DOE037 - Graduate, Completed Mass Core Curriculum,
DOE012 - Enrollment Status
OCT,MAR,EOY

SIMS2770 - Enrollment status (DOE012) invalid with graduate, completed Mass core curriculum (DOE037)

If DOE012 =04, then DOE037 must not equal 00

Elements affected: DOE037 - Graduate, Completed Mass Core Curriculum,
DOE012 - Enrollment Status
OCT,MAR,EOY

SIMS2780 - Invalid 504 Plan Status code (DOE039)

The code entered is invalid. Refer to valid values for DOE039 - 504 Plan Status in the SIMS Data Handbook.

DOE039 - 504 Plan Status
OCT,MAR,EOY

SIMS2790 - Student previously reported on 504 plan must continue to report as 504 plan

If a student was reported with a 504 plan in a prior period within the fiscal year, then s/he must continue to be reported with a 504 plan in the current period (except summer exits)

Elements affected: DOE039 - 504 Plan Status
MAR,EOY

SIMS2795 - Student previously reported as no longer on a 504 plan (DOE039) in EOY so current 504 plan status is not likely

If a student was reported as no longer on a 504 plan (DOE039=02) in both October and the previous end of year, it is likely that the data was carried forward from one school year to the next in error and needs to be corrected.

Elements affected: DOE039 - 504 Plan Status
OCT

SIMS2800 – Invalid SLIFE code (DOE041)

The code entered is invalid. Refer to valid values for DOE041 in the SIMS Data Handbook.

DOE041 – EL Student with Limited or Interrupted Formal Education (SLIFE)

SIF Object: StudentPersonal

OCT,MAR,EOY

SIMS2810 - Only English Learners (DOE025) may report SLIFE (DOE041)

Only EL students (DOE025=01) may report as meeting SLIFE criteria.

Elements affected: DOE041

OCT,MAR,EOY

SIMS2820 - Only students aged between 8 and 21 may report SLIFE.

Only students aged between 8 and 21 may report as meeting SLIFE criteria.

Elements affected: DOE041

OCT,MAR,EOY

SIMS2830 - Invalid CVTE Special Populations code (DOE042)

The code entered is invalid. Refer to valid values for DOE042 - CTE Special Populations in the SIMS Data Handbook.

Elements affected: DOE042 - CTE Special Populations

OCT,MAR,EOY

SIMS2840 - CVTE Special Population Code (DOE042) requires being in a CVTE Program (DOE035)

If CVTE Special Populations code (DOE042)<>500 then CTE Program Type code (DOE035) must not = 00.

Elements affected: DOE035 - CTE Program Type, DOE042 - CTE Special Populations

OCT,MAR,EOY

SIMS2850 - Invalid/Missing Industry Recognized Credential code (DOE047) code. Please only report Safety related IRC codes or 500 in DOE047.

The code entered is invalid. Refer to valid values for DOE047 - Industry Recognized Credential in the SIMS Data Handbook.

Elements affected: DOE047 - Industry Recognized Credential

OCT,MAR,EOY

SIMS2860 - Invalid Industry Recognized Credential code (DOE048)

The code entered is invalid. Refer to valid values for DOE048 - Industry Recognized Credential in the SIMS Data Handbook.

Elements affected: DOE048 - Industry Recognized Credential

OCT,MAR,EOY

SIMS2880 - Invalid Industry Recognized Credential code (DOE049)

The code entered is invalid. Refer to valid values for DOE049 - Industry Recognized Credential in the SIMS Data Handbook.

Elements affected: DOE049 - Industry Recognized Credential

OCT,MAR,EOY

SIMS2890 - If DOE048 is N/A (500) then DOE049 cannot hold a significant value.

Multiple Credentials must be reported in sequence with the first in DOE047, the second in DOE048 and the third in DOE049.

Elements affected: DOE049 - Industry Recognized Credential, DOE048 - Industry Recognized Credential
OCT,MAR,EOY

SIMS2900 - Industry Recognized Credentials are only valid for secondary students

Only students enrolled in grades 09,10,11,12 and SP may report an applicable value (not 500) in DOE047, DOE048 and DOE049

Elements affected: DOE049 - Industry Recognized Credential, DOE048 - Industry Recognized Credential, DOE047 - Industry Recognized Credential
OCT,MAR,EOY

SIMS2940 - Invalid Early Childhood Experience code (DOE050)

The code entered is invalid. Refer to valid values for DOE050 - Early Childhood Experience in the SIMS Data Handbook.

Elements affected: DOE050 - Early Childhood Experience
OCT,MAR,EOY

SIMS2950 - Early Childhood Experience (DOE050) is not valid for PK students. Report 99 (N/A)

This element does not apply to Pre-K students. They should be reported as 99.

Elements affected: DOE050 - Early Childhood Experience, DOE016 – Grade Code
OCT,MAR,EOY

SIMS2960 - Early Childhood Experience (DOE050) must be reported for Kindergarten students.

A significant value must be reported for kindergarten students (not 99).

Elements affected: DOE050 - Early Childhood Experience, DOE016 – Grade Code
OCT,MAR,EOY

SIMS2970 - Previously reported Early Childhood Experience (DOE050), if accurate, must continue to be reported.

If in the previous collection, a significant value (not 99) was reported for this student, then the significant value must continue to be reported, if accurate.

SIMS2980 - Duplicate SASIDs Not Allowed.

SIF Object: StudentPersonal

Duplicate SASIDs are not allowed.

SIMS2990 - Invalid/Missing School Code value. School Code is required for summer exit/transfer students.

School code DOE015 field cannot be blank for summer exits.

SIMS3000 - Invalid/Missing Gender (DOE009) value

Gender field must be M, F or N. Cannot be blank.

SIMS3010 - Students with exit date prior to the report date cannot have DOE012 value as 01 or 40

If a student's exit date is before report date, then the enrollment status DOE012 value should be an exit code.

SIMS7510 - Innovation Pathway/Sector program (DOE046) not approved for this school

The enrolling school is not designated in Directory Administration as offering the Innovation Pathway reported in DOE046.

SIMS8600 - Invalid Days In Attendance (DOE017) - must be between 0 and 261

Days in attendance must not be less than 0 or greater than 261.

Elements affected: DOE017 - Days in Attendance

OCT,MAR,EOY

SIMS8650 - Days In Membership=555 valid only with Days in Attendance=555 and vice versa.

When Days In Membership=555, Days in Attendance should =555 and vice versa.

Elements affected: DOE017 - Days in Attendance, DOE018 - Days in Membership

OCT,MAR,EOY

SIMS8660 - Days in attendance- Perfect attendance for entire school not likely (Oct)

Attendance cannot equal membership for all students in a given school within the district

Elements affected: DOE017 - Days in Attendance, DOE016 - Grade Level

OCT

SIMS8670 - Days in attendance- Perfect attendance for entire grade not likely (March)

Attendance value cannot equal membership value for all students in a given grade in a given school within the district

DOE017 - Days in Attendance, DOE016 - Grade Level, DOE015 - School Code
MAR

SIMS8680 - Days in attendance- Perfect attendance for entire grade not likely (EOY)

Attendance cannot equal membership for all students in a given grade in a given school within the district

Elements affected: DOE017 - Days in Attendance, DOE016 - Grade Level,
DOE015 - School Code
EOY

SIMS8690 - Invalid Days In Membership (DOE018) - must be less than 262 days

Days in membership cannot be greater than 261 days. Do not count weekends or holidays for residential Placements.

Elements affected: DOE018 - Days in Membership
EOY

SIMS8700 - Days in Membership exceeds maximum for collection period

In October, the number of Days of Membership (DOE018) cannot exceed 65, in March: 170 & EOY: 261

Elements affected: DOE018 - Days in Membership
OCT,MAR,EOY

SIMS8710 - Invalid Days In Membership (DOE018) - must not equal 0

Days in membership can never equal 0.

Elements affected: DOE018 - Days in Membership
OCT,MAR,EOY

SIMS8730 - Days in Membership invalid for Enrollment status code (Oct)

Days in membership (DOE018) must be 555 for summer exit (graduates, Certificate of attainment, Completed grade 12) students reported in October (DOE012=04,10,11).

Elements affected: DOE012 - Enrollment Status, DOE018 - Days in Membership
OCT

SIMS8740 - Days in Membership invalid for Enrollment status code (March,EOY)

Days in membership = 555 can only be used for transfers and dropouts (DOE012= 20-36) in March and EOY.

Elements affected: DOE012 - Enrollment Status, DOE018 - Days in Membership
MAR,EOY

SIMS8750 - Days in membership=555 not valid with Enrollment status

Enrolled students (DOE012=01, 40) cannot have 555 for Days in Membership.

Elements affected: DOE018 - Days in Membership, DOE012 - Enrollment Status
OCT,MAR,EOY

SIMS8770 - Days in Attendance/Membership=555 invalid for students already submitted in EOY with 555

A student cannot be reported in October as a summer exit (DOE19=555) if the student was reported in the previous EOY collection with as a summer exit.

Elements affected: DOE017 - Days in Attendance, DOE018 - Days in Membership
OCT

SIMS8780 - Days in Membership cannot accrue for unenrolled students

If Reason for Reporting=02 and Enrollment Status=06,20,21,22,23,24,30, 31, 32, 33, 34, 35 or 36 (died, transferred or dropped out) for the reporting period, then days in membership for the reporting period cannot be greater than days in membership for the previous period.

Elements affected: DOE011 - Reason for Reporting, DOE012 - Enrollment Status, DOE018 - Days in Membership
MAR,EOY

SIMS8790 - Days in Membership (DOE018) must accrue for enrolled students

If a student is not reported as a summer exit (DOE018=555) and is reported as DOE012=01 or 40 in March or end of year, then days in membership (DOE018) must increase from period to period.

Elements affected: DOE012 - Enrollment Status, DOE018 - Days in Membership.
MAR,EOY

SIMS8800 - District must have at least one student with an unexcused absence

The total of all unexcused absences for a district (DOE52) must be greater than 0
Elements affected: DOE052 - Unexcused Student Absences
EOY

SIMS8810 - Invalid Unexcused Student Absences (DOE052) value. When DOE017 is equal to DOE018 then DOE052 should be 0

If days in attendance (DOE017) and days of membership (DOE018) are equal, then DOE052 should be zero
Elements affected: DOE017, DOE018, DOE052
EOY

SIMS8900 - Invalid Sped Placement Age 3:5 code (DOE032)

The code entered is invalid. Refer to valid values for DOE032 in the SIMS Data Handbook.

Elements affected: DOE032 - SPED Placement age 3-5
OCT,MAR,EOY

SIMS8905 - SPED data elements not needed for non:SPED student

If Sped Placement age 6-21 (DOE034) = 00 and Sped Placement age 3-5 (DOE032) = 00, 05 then all other special education data elements must be 500. (DOE036 should be 500, DOE038 should be 500 and DOE040 should be (00 or 02 or 08 or 09)).

Elements affected: DOE034 - SPED Placement age 6-21, DOE032 - SPED Placement age 3-5, DOE036-Primary Disability, DOE038-Level of Need, DOE040-SPED Evaluation Results
OCT,MAR,EOY

SIMS8910 - SpEd Placement must be either 3-5 (DOE032) or 6-21 (DOE034), not both

A significant value (not 00) has been reported for both DOE032 and DOE034. One of these two elements must equal 00

Elements affected: DOE032, DOE034- SPED Placement Information
OCT,MAR,EOY

SIMS8925 - SpEd Placement (DOE032<>00) is only consistent with 3 to 5 year olds

A student aged less than 3 or greater than 5 on the report date may not be reported with a significant value in DOE032 (SpEd Placement Ages 3-5)

Elements affected: DOE032 - SPED Placement age 3-5, DOE006 - DOB
OCT,MAR,EOY

SIMS8930 - SpEd Placement (DOE032 and DOE034) requires supporting SpEd elements (DOE036 and DOE038)

Student reporting special education status in DOE032 or DOE034 must have supporting data in DOE036, DOE038 and DOE040.

Elements affected: DOE036
OCT,MAR,EOY

SIMS8935 - Invalid SPED Placement Age 6:21 code (DOE034)

The code entered is invalid. Refer to valid values for DOE034 in the SIMS Data Handbook.

DOE034 - SPED Placement age 6-21, DOE015 - School Code
OCT,MAR,EOY

SIMS8937 - SPED Placement age 6:21 (DOE034) contains a DOE032 value. Student will be 6 by report date and Placement code will need to be updated.

This warning advises when the Special Education Placement code will need to be updated for the coming collection because the student will have turned age 6 by report date.

OCT,MAR,EOY

SIMS8945 - SpEd Placement (DOE034<>00) is not consistent with student being less than 6 years old

If the student is less than 6 years old then the SpEd environment should be reported in DOE032, not DOE34.

Elements affected: DOE034, DOE006

OCT,MAR,EOY

SIMS8950 - Reason for enrollment is not consistent with SpEd Placement (DOE032 or DOE034)

If the SpEd Placement is either a Private Separate Day or Residential school, then the DOE013 value must be 02, 06, 07 or 09.

Elements affected: DOE034, DOE032 and DOE013

OCT,MAR,EOY

SIMS8955 - Reason for reporting (DOE011) is not consistent with SpEd Placement (DOE032 or DOE034)

If the SpEd Placement is either a Private Separate Day or Residential school, then the Reason for Reporting must be sending (DOE011=02).

Elements affected: DOE034, DOE032, DOE011

OCT,MAR,EOY

SIMS8960 - Current or Former SPED (DOE032 or DOE034) must report current SpEd Placement or exit code (01)

If a student was reported in a Special Education Placement in a prior SIMS submission, in the school year the student must continue to be reported as special education or previously special education.

Elements affected: DOE032, DOE034 - SPED Placement age 6-21

MAR,EOY

SIMS8965 - Invalid SPED Primary Disability code (DOE036)

The code entered is invalid. Refer to valid values for DOE036 in the SIMS Data Handbook.

Elements affected: DOE036

OCT,MAR,EOY

SIMS8970 - Developmental delay (DOE036=13) is valid for 3-9 year olds only (Less than 10)

Current students receiving special education services may not be reported with a Primary Disability of Developmental Delay (DOE36 =13) if they are not between 3 and 9 years old.

Elements affected: DOE036 - Nature of Primary Disability, DOE006 - Date of Birth, ELEMENTS AFFECTED: DOE012 - Enrollment Status
OCT,MAR,EOY

SIMS8980 - Invalid SPED Level of Need code (DOE038)

If there is a Sped Placement code in DOE032, then DOE034 must equal 00 and vice versa.

Elements affected: DOE034 - Sped Placement age 6-21, DOE032 - Sped Placement age 3-5
OCT,MAR,EOY

SIMS8985 - Services Only (DOE012 = 40) requires a SpEd Level of Need (DOE038)

SPED Level of Need Code (DOE038) cannot be 500 when Enrollment Status (DOE012) = 40 or 41.

Elements affected: DOE012 - Enrollment Status, DOE038 - SPED Level of Need Code
OCT,MAR,EOY

SIMS8990 - No students with disabilities reported. This is not likely.

Almost all schools in the Commonwealth have at least one student with a disability. This warning is to alert an LEA that there may be something missing in the data.

Elements affected: DOE038 – SpEd Level of Need
OCT,MAR,EOY

SIMS8995 - Invalid SPED Evaluation Results code (DOE040)

The code entered is invalid. Refer to valid values for DOE032 - SPED Placement age 3-5 in the SIMS Data Handbook.

Elements affected: DOE032 - SPED Placement age 3-5
OCT,MAR,EOY

SIMS9005 - SpEd Placement (DOE032 or DOE034) is not consistent with Evaluation Result (DOE040=03)

If Sped Evaluation Result Code indicates that a re-evaluation found the student no longer eligible for SpEd services (DOE040 = 03) then the SpEd Placement must indicate the same (DOE032 or DOE034 = 01).

Elements affected: DOE040 - SPED Evaluation Results, DOE034 - SPED Placement age 6-21, DOE032

SIF Object: StudentSpecialEducationSummary

OCT,MAR,EOY

SIMS9015 - SpEd Evaluation Result (DOE040) is not consistent with SpEd Placement (DOE032 or DOE034)

If SpEd Placement is inactive (DOE032 or DOE034 = 00,01 or 05 then the Evaluation Results (DOE040) cannot indicate an eligibility for services. Conversely, if an active Placement is reported, the evaluation results must indicate an eligibility for services.

Elements affected: DOE032, DOE034, DOE040

OCT, MAR, EOY

SIMS9025 - SpEd Services are declined (DOE040=09) so both SpEd Placement elements (DOE032 and DOE034) should show no current activity.

When DOE040=09, DOE034 and DOE032 must equal 00 or 01

Elements affected: DOE040 - SPED Evaluation Results, DOE034 - SPED Placement age 6-21

OCT, MAR,EOY

SIMS9030 - Student reported as no longer receiving special education services (DOE032 or DOE034) in EOY. Reporting this again is not required.

If a student is reported as no longer receiving special education services in October (DOE032=01 or DOE034=01) and was also reported this way in the previous EOY collection, then, it is likely that this data was carried over from the prior aschool year in error and needs to be corrected.

Elements affected: DOE034 - SPED Placement age 6-21, DOE032 - SPED Placement age 3-5

OCT

SIMS9040 - Students reported as School Choice in DOE013 cannot be reported as Public Residential Institutional Facilities in DOE034

If a student is school choice, the DOE034 value should be other than 90.

OCT,MAR,EOY

SIMS9060 – Students in Grade level (DOE016) PK through 06 from Town of Residence (DOE014) 053 or 129 must be reported as school choice (DOE011= 03 and DOE013 = 02)

This validation is specific to org code 0717.

Elements affected: DOE011, DOE013, DOE014,DOE016

OCT,MAR,EOY

SIMS9600 – Invalid Days Attended Remote (DOE54)- must be between 0 and 261

SIF Object: StudentSpecialEducationSummary

Days Attended Remote (DOE054) must be between 0 and 261
Elements affected: DOE054
OCT,MAR,EOY

SIMS9610 - Having no Days in Attendance (DOE017) and no Days Attended Remote (DOE054) is not likely with reported days in membership (DOE018)

If student has days of membership (DOE018), there should be some attendance recorded in DOE17 and/or DOE054
Elements affected: DOE017, DOE018, DOE054
OCT,MAR,EOY

SIMS9620 - Days in Attendance and Days Attended Remote cannot both equal 0 for enrolled outplaced student(s)

Days in Attendance (DOE017) and Days Attended Remote (DOE054) cannot both equal 0 for enrolled outplaced student(s)
Elements affected: DOE017, DOE018, DOE054, DOE015
OCT,MAR,EOY

SIMS9630 - Days total:

DaysAttendance+DaysAttendedRemote+DaysAbsentRemote Greater than Days in membership

Days Attendance + DaysAttendedRemote + Days Absent Remote should be less than or equal to total days in membership
Elements affected: DOE017, DOE018, DOE054 and DOE055
OCT,MAR,EOY

SIMS9640 - Sum of Days in Attendance (DOE017) and Days Attended Remote (DOE054) exceeds maximum for collection period

Sum of Days in Attendance (DOE017) and Days Attended Remote (DOE054) exceeds maximum for collection period
Elements affected: DOE017, DOE054
OCT,MAR,EOY

SIMS9650 - Days in Attendance Remote (DOE054) and Days Absent Remote (DOE055) should be reported as 555 when Days in Membership (DOE018) is 555

Summer exits should have the value of '555' in all attendance related fields (DOE017, DOE018, DOE054, DOE055)
Elements affected: DOE018, DOE054,DOE055
OCT,MAR,EOY

SIMS9660 - Perfect attendance (Days in Attendance + Days Attended Remote) for entire school not likely (Oct)

Perfect attendance (Days in Attendance + Days Attended Remote) for entire school not likely

SIF Object: StudentSpecialEducationSummary

Elements affected: DOE017, DOE054

Object: StudentPersonal

Element: Demographics/RaceList/Race/OtherCodeList/OtherCode

The code is blank or null.

SIF1107 - StudentSchoolEnrollment SchoolInfoRefId is missing

Object: StudentSchoolEnrollment

Element: SchoolInfoRefId

The mandatory element SchoolInfoRefId has not been provided.

SIF1108 - StudentSchoolEnrollment SchoolInfoRefId is unknown

Object: StudentSchoolEnrollment

SIF Validations

Element: SchoolInfoRefId

The the object to which the element SchoolInfoRefId refers has not been provided.

SIF1109 - StudentSchoolEnrollment but the associated TermInfo is missing

Object: StudentSchoolEnrollment

Element: none

A TermInfo object with the same SchoolInfoRefId as that in the StudentSchoolEnrollment cannot be found.

SIF1110 - StudentSchoolEnrollment StudentPersonalRefId is missing

Object: StudentSchoolEnrollment

Element: StudentPersonalRefId

A StudentPersonal object with the RefId referenced in a StudentSchoolEnrollment cannot be found.

SIF1111 - StudentSchoolEnrollment with Services Only flag set but no SpecialEducationSummary.

Object: StudentSchoolEnrollment

Extended Element: ServicesOnly

The enrollment record for a student indicates that they are receiving special education services, but their StudentSpecialEducationSummary cannot be found.

SIF1113 - StudentSchoolEnrollment with exit date before the report date but no exit code.

Object: StudentSchoolEnrollment

Elements: ExitDate & ExitType/OtherCodeList/OtherCode

An exit date prior to the report date has been reported, but no exit code has been reported so the student's enrollment status is ambiguous.

SIF1117 - SchoolInfo LealInfoRefId is missing

Object: SchoolInfo

Element: LealInfoRefId

A value is missing for the element.

SIF1118 - SchoolInfo LealInfoRefId is unknown

Object: SchoolInfo

Object: StudentSchoolEnrollment

Element: N/A

An active general education enrollment record for a student has been received, but no section enrollments have been.

SIF1171 - Multiple SpecialEducationSummary found

Object: StudentSpecialEducationSummary

Element: N/A

The student has more than one SpecialEducationSummary object. Contact your SIS software vendor.

SIF1172 - SchoolInfo missing TermInfo

Object: TermInfo

Element: SchoolInfoRefId

A SchoolInfo object has been received, but no TermInfo objects have been for this school.

SIF1174 - StudentPersonal with no StudentSchoolEnrollment

Object: StudentSchoolEnrollment

Element: StudentPersonalRefId

SIF Validations

A StudentPersonal object has been received, but no StudentSchoolEnrollment objects have been for the student.

SIF1185 - Evaluation has been completed during this school year. Select a different value for DOE040

Object: StudentSpecialEducationSummary

Elements: StudentParticipationList/StudentParticipationData/EvaluationDate & StudentParticipationList/StudentParticipationData/ProgramStatus/OtherCodeList/OtherCode

The evaluation date reported is during the school year, but the value reported in the OtherCode (DOE040 = 00,01 or 08) implies that the evaluation was not done in the current year and the student's status is not clear. The data reported is ambiguous so either the date or the DOE040 value is incorrect.

SIF1186 - Evaluation was not completed during this school year. If the student is not receiving special education services, do not report this data

Object: StudentSpecialEducationSummary

Elements: StudentParticipationList/StudentParticipationData/EvaluationDate & StudentParticipationList/StudentParticipationData/ProgramStatus/OtherCodeList/OtherCode

The evaluation date reported is prior to the school year, but the value reported in the OtherCode (DOE040 = 02,03 or 09) implies that the evaluation was done in the current year and the student is not receiving services. The data reported is ambiguous so either the date or the DOE040 value is incorrect.

SIF1187 - Evaluation was completed prior to this school year. If the student is receiving special education services, report 01 in DOE040

Object: StudentSpecialEducationSummary

Elements: StudentParticipationList/StudentParticipationData/EvaluationDate & StudentParticipationList/StudentParticipationData/ProgramStatus/OtherCodeList/OtherCode

The evaluation date reported is prior to the school year, but the value reported in the OtherCode (DOE040 = 04,05,06 or 07) implies that the evaluation was done in the current year and the student is receiving services. The data reported is ambiguous so either the date or the DOE040 value is incorrect.

SIF1190 – Invalid SASID for active enrollment

Object: StudentPersonal

Element: SASID

SIF1198 – Duplicate REFIDs in Student Personal

Object: StudentPersonal

Element: SASID

SIF1230 – Invalid/Missing value for Instruction Mode. Must be 01 (in-person), 02 (hybrid), or 03 (remote)

Object: StudentSchoolEnrollment

Element: InstructionMode

SIF1231 – If Instruction Mode is in-person only, Days in Attendance (DOE017) cannot be 0

Object: StudentSchoolEnrollment

Element: InstructionMode

SIF1251 – If Instruction Mode is remote only, Days Attended Remote (DOE054) cannot be 0

Object: StudentSchoolEnrollment

Element: InstructionMode

SIF1321 – Missing EnrollmentOfferDate. When SiblingPreference is Yes, EnrollmentOfferDate cannot be blank

Object: StudentSchoolEnrollment

Element: EnrollmentOfferDate

SIF1322 – Invalid/Missing values in SiblingPreference or EnrollmentOfferDate element(s)

Object: StudentSchoolEnrollment

Element: SiblingPreference, EnrollmentOfferDate

SIF1520 - Title I: School has no Title I. Students must be reported with DOE020=00 and DOE030=00

Object: StudentSchoolEnrollment

This is a substitution to SIMS1520 for SIF districts which serves to allow homeless students to be reported as receiving Title I funding even though they attend a non-Title I school.

School is listed as not having Title I but the non-homeless student is reported with a Title I participation code. If the school is not a Title I school, then Title I participation codes must be 00 (DOE020 & DOE030). (Exclude summer exits.)
